Once again there is an opportunity to meet with colleague deputies, assistant heads and senior teachers from the Taunton Area.

The focus will be on SEF writing. It is not expected that you will necessarily have written any of the SEF before but we hope you will share some thoughts if you have.

Agenda

1. Overview of the purpose of the SEF
2. Sharing thoughts and experience of SEF writing process
3. Taking ownership of the process
4. Using evidence to inform judgements
5. Section 5a How good is the quality of teaching and learning.
6. Working with other deputies, assistant heads, and senior teachers

If your head agrees, please bring along section 5a to discuss. This is not essential but would be beneficial to you.
